Buy A Brick!
A Lasting Gift for YOU...
A Lasting Gift for SLPS!

Dear Lakers,

Hundreds of customized bricks honoring Spring Lake students and their families have been placed around the SLHS flagpole. Now it's **your** chance to let your student know just how proud you are of their accomplishments with this lasting tribute.

For a $100 contribution you will receive a 4"x8" brick engraved with up to 3 lines of 14 characters each.

The contributions received from the bricks go to the "Ladders to Literacy" Fund of the Spring Lake Schools Foundation. ***Your gift to your own child is also a gift to all the children of Spring Lake, now and into the future!***

The Spring Lake Schools Foundation awards grants from the Ladders to Literacy Fund to create innovative educational opportunities and maintain academic excellence. Recent grants include…

- seventh and eighth grade level books that combine literacy with science and math projects for real world applications.
- early elementary literacy listening tools.
- a program which combines literacy and music together for greater reinforcement of learning.
- And many, many more!

Make a lasting mark on the Spring Lake landscape, a lasting mark on your child's heart, a lasting gift for the future of Spring Lake Public Schools.

Buy **your** brick today! Order online at http://www.slsfoundation.org/buy-a-brick.html

Or fill out the order form below to *Leave Your Mark*. You will receive a certificate showing the brick as it will appear around the flagpole**.**
